## ABOUT THE CONFERENCE

**AYURSAMAGRA 2026** is a premier three-day international event dedicated to showcasing the depth, diversity, and global relevance of Ayurveda in today's evolving healthcare landscape. Bringing together **leading Vaidyas, researchers, academicians, global Ayurveda experts, industry leaders, Youth and students**, the conference is designed as a confluence of **traditional wisdom and modern innovation**.

Built around the transformative theme "***Tradition, Evidence, Research, Innovation, Tourism & Technology for Global Health***," AYURSAMAGRA 2026 explores the complete spectrum of Ayurveda—from classical principles and evidence-based clinical practice to technological advancements, integrative health models, medicinal plant science, policy, and global collaborations.

### The event features:

- **6+ high-impact keynote sessions** by national and international speakers
- **Scientific paper and poster presentations** from students, researchers, clinicians, and institutions
- **Live Podcast with Experts** in Ayurveda Tradition, tourism, digital health, drug standardization, and global regulations.
- **Live demonstration zones** on Panchakarma, Agnikarma, Raktamokshana, emergency Ayurveda interventions, and more
- **An integrated Ayurveda Expo**, showcasing industry, pharma, equipment, wellness, hospital chains, startups, nutraceuticals, and agro-AYUSH sectors
- **Public Outreach Activities**, including health camps, wellness consultations, and experience booths

### The SAMAGRA Approach:

- S** – “Strengthening Ayurveda through sustainable practices and scientific collaboration.”
- A** – “Advancing authentic Ayurvedic knowledge for global health and wellness.”
- M** – “Mobilizing medicinal-plant resources and modern industry to build a strong AYUSH ecosystem.”
- A** – “Aligning academia, clinicians, students, and researchers to create evidence-based outcomes.”
- G** – “Guiding Ayurveda towards global recognition through innovation and international partnerships.”
- R** – “Reinforcing research, regulation, and reliability to ensure quality and safety of Ayurvedic care.”
- A** – “Accelerating awareness, accessibility, and Ayurveda tourism for public benefit and global outreach.”

With an expected participation of **2000+ delegates**, **100+ exhibitors**, and a footfall of **10,000+ visitors**, the event stands as **one of the largest Ayurveda gatherings in Central India**.

This landmark conference reflects the collective commitment of NASYA and Bhausaheb Mulak Ayurved College, Nagpur to strengthen Ayurveda education, research, entrepreneurship, and global outreach.

## SCIENTIFIC SESSION THEMES

- **Ayurveda: From Classical Roots to Global Relevance**  
Exploring how ancient Ayurvedic principles are shaping modern global healthcare.
- **Globalization of Ayurveda: Opportunities & Challenges**  
Strategies, regulations, and pathways for Ayurveda's international acceptance.
- **Evidence-Based Ayurveda & Clinical Research**  
Bridging classical wisdom with modern scientific validation.
- **Integrative Healthcare Models**  
Synergizing Ayurveda with modern medicine for holistic patient care.
- **Ayurveda Biology & Systems Medicine**  
Understanding Ayurveda through contemporary biological and systems science.
- **Artificial Intelligence in Ayurveda Diagnostics**  
Leveraging AI for Prakriti analysis, disease prediction, and treatment planning.
- **Digital Ayurveda & Tele-Health Innovations**  
Transforming Ayurveda practice through digital platforms and telemedicine.
- **Ayurveda Drug Discovery & Innovation**  
Translating classical formulations into standardized, research-backed therapies.
- **Medicinal Plants: Conservation to Commercialization**  
Sustainable use, quality assurance, and global market integration.
- **Panchakarma: Classical Science for Modern Lifestyles**  
Adapting Panchakarma therapies to contemporary health challenges.
- **Ayurveda in Emergency & Acute Care**  
Exploring Ayurvedic approaches in acute and emergency clinical scenarios.
- **Agnikarma & Viddhakarma: Theory to Practice**  
Clinical relevance, safety, and live procedural insights.
- **Ayurveda in Lifestyle & Non-Communicable Diseases**  
Preventive and therapeutic roles in diabetes, obesity, and cardiovascular disorders.
- **Ayurveda Oncology & Supportive Care**  
Integrative Ayurvedic approaches in cancer management and quality of life.
- **Women's Health & Ayurveda**  
Ayurvedic perspectives across reproductive health, nutrition, and wellness.
- **Mental Health, Stress & Ayurveda**  
Ayurvedic management of psychosomatic and mental health disorders.
- **Ayurveda Tourism & Global Wellness Economy**  
Positioning Panchakarma and Ayurveda as pillars of medical and wellness tourism.
- **Education, Research & Youth Leadership in Ayurveda**  
Empowering the next generation of Ayurveda professionals and researchers.
- **Entrepreneurship, Start-ups & Ayurveda Industry**  
Innovation, incubation, and sustainable business models in Ayurveda.

## LIVE PODCAST

### ***Voices of Ayurveda / Ideas that Inspire / Knowledge Beyond the Stage***

AYURSAMAGRA 2026 introduces an exclusive **Live Podcast Series** featuring **renowned national and international Ayurveda experts, innovators, clinicians, researchers, and policymakers.**

These interactive sessions go beyond formal lectures, offering **candid conversations, real-world insights, journeys, challenges, and future visions of Ayurveda** in a dynamic, engaging format.

#### **Key Highlights**

- **Live, On-Stage Podcast Conversations**
- **Global & National Thought Leaders**
- **Focus on Tradition, Technology, Tourism & Transformation**
- **Recorded for Digital Release & Knowledge Archival**
- **Opportunity to listen the Inside Stories from the Guru and Experts**
- **Promoted across YouTube, Podcasts & Social Media**

#### **Schedule**

-  **2 Live Podcast Sessions Daily**
-  **Afternoon & Evening Slots**
-  One-to-one and moderated expert conversations
-  **No panel discussions – pure expert storytelling**

***“Beyond Lectures. Beyond Boundaries.”***

**AYURVEDA  
DIALOGUES**

# CALL FOR PAPERS & POSTERS

AYURSAMAGRA 2026 invites **original research papers, review articles, case studies, conceptual papers, innovations, and evidence-based clinical experiences** from Ayurveda scholars, clinicians, researchers, academicians, PG/PhD scholars, scientists, and industry professionals. The conference aims to provide a national and international platform for showcasing **classical wisdom, contemporary research, technological advancements, integrative healthcare models, Panchakarma practices, medicinal plant research, Ayurveda tourism, and global health applications**. Selected papers and posters will be presented during scientific sessions and displayed at the conference venue, offering participants an opportunity for **academic recognition, expert interaction, and contribution to the evolving global Ayurveda knowledge ecosystem**.

## FOCAL THEME

***“From Tradition to Transformation: Ayurveda for Global Health”***

### Themes for Paper & Poster Presentation

#### 1. Classical Ayurveda & Samhita Studies

Contemporary interpretation and clinical relevance of classical Ayurvedic texts.

#### 2. Fundamental Principles of Ayurveda

Application of Dosha, Dhatu, Mala, Agni and Prakriti concepts in healthcare.

#### 3. Panchakarma & Ayurvedic Therapies

Therapeutic efficacy and innovations in Panchakarma and allied procedures.

#### 4. Emergency & Para-surgical Procedures in Ayurveda

Role of Agnikarma, Viddhakarma and other procedures in acute care.

#### 5. Clinical Research & Evidence-Based Ayurveda

Clinical trials, case studies and outcome-based research in Ayurveda.

#### 6. Integrative & Holistic Healthcare

Ayurveda integrated with modern medicine for comprehensive health care.

#### 7. Ayurveda Biology & Pharmacology

Scientific exploration of Ayurvedic principles, drugs and formulations.

#### 8. Medicinal Plants & Herbal Drug Development

Cultivation, conservation, standardization and quality assurance of herbs.

#### 9. Technology & Digital Ayurveda (TechAyur)

AI, digital tools and data-driven innovations in Ayurvedic practice.

#### 10. Women's Health, Public Health & Preventive Ayurveda

Role of Ayurveda in community health, lifestyle disorders and prevention.

#### 11. Mental Health, Yoga & Mind-Body Medicine

Ayurveda-based management of stress and mental wellness

# ABSTRACT SUBMISSION GUIDELINES

AYURSAMAGRA 2026 invites abstracts from **Ayurveda practitioners, academicians, researchers, scientists, PG/PhD scholars, students, and industry professionals** for **oral and poster presentations**. Submissions may include **original research, review articles, clinical case studies, conceptual papers, technological innovations, and evidence-based practices** aligned with the conference themes. Abstracts should be written in **English**, not exceeding **300 words**, and must include the **title, author(s) name and affiliation, background, objectives, methods, results, and conclusion**, along with **3–5 keywords**. Authors are required to clearly indicate the **presentation category (paper/poster)** and the **relevant theme** at the time of submission.

All submitted abstracts will undergo review by the **Scientific Committee**, and selected submissions will be notified via email. Ethical clearance should be mentioned for clinical studies wherever applicable. Accepted abstracts will be included in the **Conference Souvenir / Abstract Book**, and **certificates of presentation** will be awarded to presenters.

## E-Poster design specifications:

Poster size and orientation: All posters will be set in portrait-style orientation. All information (i.e. text, data, photos, and figures) must be designed to fit within one page of above said specifications.

If E-Poster is prepared in PowerPoint (PPT), customize the slide by using Page Setup and choose Slide Size: “Custom (Width 50 cm, Height 90 cm)” with a Portrait (vertical) orientation.

The resolution of the monitors used for e-poster presentation is 1920 x 1080 pixels and the size is 52,3 cm x 93,3 cm (in Portrait orientation).

*At least one author must be registered for the conference to present the paper or poster.*

*Detailed submission instructions, important dates, and presentation guidelines will be available on the conference website.*

**[www.nasya.in](http://www.nasya.in)**

# REGISTRATION AND FEES

AYURSAMAGRA 2026 is open to a wide spectrum of participants involved in Ayurveda, healthcare, research, education, industry, and policy. The conference and expo welcome **Ayurveda practitioners (BAMS, MD/MS), academicians, researchers, scientists, PG and PhD scholars, undergraduate students, interns, yoga and wellness professionals, integrative medicine experts, policymakers, and healthcare administrators**. Participation is also encouraged from Ayurveda manufacturers, start-ups, entrepreneurs, technology innovators, medicinal plant cultivators, tourism and wellness industry stakeholders, as well as NGOs and public health professionals.

## Registration Fees

PhD Scholars, Faculty, Practitioners & Industry Professionals	₹2,500/-	₹3,000/-
NASYA Members	₹1,500/-	₹2,000/-

GST 18% applicable

### ⭐ Special Benefit:

**Free NASYA Lifetime Membership** with conference registration — *a one-time opportunity valid for lifetime.*

## Important Dates

- **Registration Opens:** 03 January 2026
- **Last Date of Registration:** 15 February 2026
- **Abstract Submission Deadline:** 25 January 2026
- **Selection & Acceptance Notification:** 01 February 2026
- **Full Paper Submission Deadline:** 05 February 2026

[www.nasya.in](http://www.nasya.in)

**AyurWell Expo** is an integral component of **AYURSAMAGRA 2026**, designed as a vibrant **international exhibition platform** showcasing the complete ecosystem of **Ayurveda, wellness, health innovation, research, industry, and tourism**. The Expo will host **100+ curated stalls** featuring **Ayurveda manufacturers, herbal and nutraceutical companies, Panchakarma and wellness centers, cosmetics and personal care brands, medicinal plant cultivators, agri-entrepreneurs, research institutions, start-ups, digital health and AI-based Ayurveda solutions, and Ayurveda tourism stakeholders**.

## Highlights of AyurWell Expo 2026

- **100+ Curated Exhibition Stalls** featuring Ayurveda, wellness, research, technology, and tourism
- **10,000+ Expected Footfall** over three days including professionals and general public
- **National & International Exhibitors** from Ayurveda, healthcare, wellness and allied sectors
- **Free Ayurveda Consultation & Health Check-up Camps** for public awareness and outreach
- **Panchakarma Experience Zone** with live therapy demonstrations
- **Classical Procedure Demonstrations** including Agnikarma & Viddhakarma
- **Ayurveda Start-up & Innovation Pavilion** showcasing young entrepreneurs and new ideas
- **B2B & B2C Networking Platform** for industry, academia, practitioners and investors
- **Direct Interaction with Experts, Clinicians & Thought Leaders**
- **Live Product Launches & Demonstrations**
- **Public Awareness Sessions** on lifestyle, nutrition and preventive health
- **Strong Media Coverage & Digital Promotion** at regional and national levels

## Special Attractions

- **Free Ayurveda Consultation & Health Check-up Camps** for the public
- **Panchakarma Experience Zone** with live demonstrations
- **Classical Procedure Demos** including Agnikarma & Viddhakarma
- **Public Outreach & Awareness Programs** on preventive healthcare
- **Start-up & Innovation Pavilion** for young entrepreneurs
- **Live Interactions with Experts & Thought Leaders**

## Why Exhibit at AyurWell Expo?

- High visibility among **2,000+ conference delegates** and **10,000+ visitors**
- Strong **branding, networking and lead-generation opportunities**
- Association with a **national-level academic and policy-driven event**
- Direct access to **Ayurveda's future workforce and decision-makers**
- Media coverage and digital promotion through multiple platforms

## Vision of AyurWell Expo

AyurWell Expo 2026 aims to strengthen Ayurveda's role in **public health, entrepreneurship, research translation, wellness tourism, and global healthcare**, making it a **people-centric, industry-driven, and knowledge-backed exhibition** aligned with India's vision of **Ayushman Bharat** and global Ayurveda leadership.

## Exhibitor Profile

- Ayurveda medicine manufacturers & herbal product companies
- Panchakarma hospitals, wellness centers & Ayurveda tourism resorts
- Cosmetics, nutraceuticals & personal care brands
- Medicinal plant cultivators, agri-entrepreneurs & MSMEs
- Research institutions, academic bodies & startups
- Digital health, AI & technology-driven Ayurveda solutions
- Publishers, training institutes & skill development organizations

## Visitor Profile

- Ayurveda practitioners, academicians, researchers & students
- Healthcare professionals & integrative medicine experts
- Wellness seekers, patients & health-conscious citizens
- Entrepreneurs, investors & industry professionals
- Policy makers, administrators & tourism stakeholders

## ABOUT ORGANIZERS

### National Ayurveda Students & Youth Association (NASYA)

NASYA is a national youth movement under **Vijnana Bharati**, dedicated to strengthening Ayurveda through **education, research, practice, and entrepreneurship**. Founded in **2008** during the **World Ayurveda Congress**, NASYA today has active presence in **22 states** with **10,000+ lifetime members**. It empowers Ayurveda students and young professionals through innovative academic programs, conferences, research initiatives, and national collaborations. Supported by **Ministry of AYUSH, CCRAS, NCISM**, and leading institutions, NASYA plays a vital role in revitalizing Ayurveda for contemporary and global healthcare needs.

### Bhausaheb Mulak Ayurved College & Research Hospital, Butibori

Established in **2017**, BMAC is affiliated to **MUHS, Nashik** and recognized by **NCISM**. The institute is a **recognized postgraduate center**, accredited with **NAAC 'B+'**, and ranked among the leading Ayurveda colleges in Vidarbha. Its attached hospital provides **affordable, evidence-based Ayurvedic healthcare** to urban and rural communities while offering strong clinical exposure and research opportunities to students, reflecting its commitment to academic excellence and community service.

#### Supported BY

#### Vijnana Bharati (VIBHA)

Vijnana Bharati is a **national Swadeshi science movement**, founded in **1991**, with active units in **22 states**. It promotes integration of **traditional knowledge and modern science**, fostering scientific temper rooted in Bharatiya values. VIBHA works across multiple domains to strengthen education, research, policy engagement, and public awareness, highlighting India's scientific heritage while addressing contemporary national challenges.

#### Vidhyan Bharati – Vidarbha Pradesh Mandal

Vidhyan Bharati Vidarbha Pradesh Mandal actively promotes **science-based social transformation** in the Vidarbha region through academic programs, public outreach, youth engagement, and support to indigenous knowledge systems. The Mandal plays a key role in connecting **academia, research institutions, professionals, and society**, and strongly supports initiatives that integrate Ayurveda, science, and national development.
